

**3M Electrical**

Cold shrink, heat shrink, terminations, joints/splices, smart grid, separables, ACCR, wire connectors and tools, portable labelers, insulating and conductive tapes, flexible insulation, resins, mastics, cleaners.

**AIM Solder**

Solder wire, solder bar, solder paste, solder preforms, fluxes, thinners, chemicals.

**Arlink/Lista International**

Cabinets and storage, customizable workstations and work benches, toolboxes.

**Armand Manufacturing**

Vinyl envelopes, bags, covers, tank liners, fabric covers, poly bags and pouches.

**Aven Tools**

Digital Microscopes, Video Inspection, Precision hand tools including: pliers, tweezers, knives, screwdrivers, hemostats, probes, and crimping tools.

**Cari-All/Technibilt**

Shelving, carts, baskets, accessories.

**Dazor**

Halogen, fluorescent, incandescent, LED, & green lamps, lights magnifiers, tubes & bulbs.

**Easy Braid**

Desoldering braid, hand soldering, solder soakers and sponges, stencil rolls and wipes, swabs, cleaning systems, fume extraction, optical and x-ray inspection.

**Indium Solder**

Solder wire, solder bar, solder paste, solder preforms, fluxes, thinners, brazes, thermal interface materials, sputtering targets, and NanoFoil.

**Kolver USA**

Electric screw drivers, torque control products, ergonomic assembly tools, controllers, screw presenters, smart arms, line production, and assembly products.

**R & R Lotion**

ESD flux bottles, dispensers, spray bottles, sports bottles, mister bottles, storage bottles, hand, antistatic, cleanroom & antibacterial lotions and cleaners, sunscreens.

**Shercon/Caplug**

Masking caps, plugs, tapes, die cuts

**Swanstrom**

Chromium-Carbon alloy steel cutters, pliers, tweezers, plizers.

**Transforming Technologies**

ESD coil cords, wrist bands, heel grounders, field service kits, monitors, pens, sheet protectors, trash cans, tool carriers, chairs, hot gloves, jackets, taps, labels, table and floor matting, grounding hardware, ionizing blowers, overhead ionizers, ionizing guns and nozzles, clean room equipment and clothing.

**ACL Staticide**

Anti-Static/ESD coatings and topicals, static dissipative coatings for floors (polish and paint), ESD workstation products, Dualmat, static detection meters, aerosols for PCB production, rework, and repair.

**American Hakko**

Soldering, desoldering, rework, hot air, and BGA stations, fume extraction, Wire and cable stripping, hand tools, solder tips, desoldering and hot air nozzles.

**Apex (Cooper) Tools**

Hand tools, wrenches, screwdrivers, cutters, pliers, tweezers, files, shears from Crescent, Wiss, Lufkin, Nicholson, H.K. Porter, Plumb, Weller, Erem, Xcelite.

**ASG-Jergens**

Electric and manual screwdrivers, torque testers, screw presenters and feeders, tape & label dispensers, balancers & positioners, torque arms & tool stands, screwdriver bits & sockets.

**Botron**

Anti-Static/ESD personal grounding, test equipment, table & floor matting, grounding hardware, chairs, ionization equipment, monitors, floor care, signs & labels, clean room smocks & products.

**Conductive Container**

ESD shipping and handling solutions PCB Board handlers, PCB shippers

**DEK/ASM**

Stencils, stencil wipes, swabs, nitrile and latex gloves, squeegees, stencil cleaning and cleaners, pre-saturated wipes, Nano-ProTek.

**Excelta**

Tweezers, forceps, cutting & stripping tweezers, assembly aids, cutters, pliers, specialty tools, spatulas, oilers, picks, optics, test equipment, vacuum tools, scissors, brushes.

**Kester Solder**

Solder wire, solder bar, solder paste, solder preforms, solder mask, fluxes, thinners, chemicals.

**Luxo**

Task lighting, microscope systems, LED and UV magnifiers, LED, incandescent, and fluorescent ring lights, fiber optic illuminators.

**Scienscope**

Binocular/Trinocular/Video Microscopes & accessories, coordinate measuring machines, x-ray inspection systems, counterfeit chip x-ray detection.

**Static Control**

Anti-Static/ESD bags, instruments, wrist straps & heel grounders, vacuums, packaging, monitors, mats, laminates, cords, ionization, containers, flooring, tapes.

**Techwear**

ESD coats, jackets, aprons, covers.

**Tronex**

Precision cutting tools and pliers.
